

## 2.3.1: Student Centric Methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences

Our institution strives to integrate experiential, participatory and problem – solving methodologies by innovative teaching learning that bring a profound learning experience for the divergent students in today's technology driven era

By integrating practical, hands-on experiences into the curriculum, we create more engaging and dynamic learning environments, this approach helps students develop critical thinking, problem-solving, and teamwork skills, making them more competitive in the job market. Additionally, by focusing on experiential learning, participatory and problem – solving methodologies we often build stronger connections with industry partners, opening doors for collaboration, internships, and real-world projects. This strengthens the institution's ties to the community and enhances its overall credibility

Rather than relying solely on traditional lectures or textbook learning, we are integrating activities like internships, projects, fieldwork, simulations, and collaborative learning. These experiences enable students to apply theoretical knowledge to practical situations, fostering deeper understanding and critical thinking skills. By engaging directly with challenges and problem-solving tasks, students develop practical expertise and adaptability, better preparing them for professional success and personal growth. Experiential learning not only enhances academic development but also nurtures essential skills such as teamwork, communication, and leadership.

We are offering various activities under student-centric method some are as mentioned below:

### 1. Experiential Learning:

Experiential learning is totally based on learning by doing concept. Institute has various departments and co-curricular clubs which organize various activities based on experiential learning which are under mentioned :

- **Summer Internship, Excursion tour & Industrial visit:** All the students of various programs go for summer internship for understanding the workplace culture and for industry visit so for getting a chance to meet industry experts, professionals and learn the industry's latest trends with the latest technologies.
- **Club activities:** Institute has various club like Marketing club, HR club Finance club, Law club, CS club, Sahitya prabha club, Rotaract club, Start up club and environment club. Students can be a part of various club in which they can develop social skills, analytical skills leadership skills etc.
- **Workshop & Conference:** Institute organizes various workshops like PD workshop & pre-placement workshop for the students to develop their personality and preparing for the placement.

# PRESTIGE INSTITUTE OF MANAGEMENT & RESEARCH, GWALIOR

AN AUTONOMOUS INSTITUTE ACCREDITED WITH UGC NAAC GRADE 'A' AND NBA (AICTE)

- **Project Work:** Institute focuses project based learning in which social projects were given to students so as to develop in them a concern for bearing social responsibilities, care for Nature/ Environment and also develop to learn social networking.
- **Values and cultural activities:** -- The institute organises a mega management **fest called SPANDAN**, under the flagship of which certain competitions and cultural activities are organised so as to nurture social ethics amongst students.

List of experiential learning are as follows.

Sr.No.	Name of Activities	Date	No .of students
1	Summer Internship		
2	Excursion Tour		
3	Industry visit		
4	Certification Course		
5	Values and cultural activities		
6	<b>Club Activities</b>	<b>Date</b>	<b>No. of students</b>
	1. Marketing Club		
	2. HR Club		
	3. Finance Club		
	4. CS Club		
	5. Law Club		
	6. Sahitya Prabha Club		
	7. Start up club		
	8. Rotaract club		
	9. Environment club		
7	Workshops on PD and Aptitude		
8	Conference		
9	Project work		

## 2. Participative learning:

Participative learning is a technique in which students are actively involved in the process of learning .For this a number of activities like LTM(learning through movies), Seminars, Class presentations, Group discussions, EML sessions, Accounting Monologues, Budget Presentation, HQD, and several other activities .These activities groom the students for all- round development. Also team spirit and leadership skills are nurtured amongst students.

Sr. No.	Name of Activities	Date	No.of students
1	Learning through movies		
2	Seminars		
3	Class presentation		
4	Group discussion		
5	Book review		
6	EML		
7	Accounting Monologue		
8	Budget presentation		
9	HQD		
10	Know to unknown		

### 3. Problem solving methodologies:

Problem solving methodologies-based learning focuses on processes through which a situation or issue may be analyzed and solutions implemented. In this learning student are encouraged to acquire and develop problem-solving skills. For this, institute organizes expert lectures on various topics, regular assignment based problem, case studies, major research project to develop their research skills and regular quizzes.

List of problem-solving activities are as follows.

Sr. No.	Name of Activities	Date	No. of students
1	Case Studies/ Assignment		
2	Major research project		
3	Quiz		
4	Reasoning and Aptitude		
5	Memorial Drafting		
6	Judgement writing		
7	Legal research article
