Human Quality Development

The new component HQD was introduced in BBA III/ MBA(I)- III sem, July-Dec 2023. Further in the July to December 2023 session , HQD for BBA III/MBA(I)- III semsemester is again done with bit more innovation.

HQD is a common component and innovative pedagogical tool to make students learn the life skills and management.

The main purpose of keeping HQD component for Bachelors in Business

Administration is to make students understand that our Indian scriptures

Which are great source of knowledge and they can learn more about every perspective of life and it helps in their life skill management and holistic development.In this component.

We have provided 45 Indian scriptures and one scripture is allotted to group of students. The students have to read and Indian literature be it Vedas or any verse

of Vedas, Bhagwad Geeta , Ramayana , Hanuman Chalisa , may be anything they like and have to go deep to understand that thought or verse or what insights they are getting from it. Guidelines were floated to both students and faculty members to carry out the activity in well versed manner.

This time students had presented learnings in the form of role plays. Students in the guidance of Faculty guide read the scripture, roles were given to students, scripts was prepared and learnings delivered in the form of Role Plays. Students also prepared the file with scripts and self learnings.

Global Case Analysis and Presentation

The Global Case Analysis, a Common Component for BA/BBA/BCOM LLB 5th Semester. The exercise aimed to enhance understanding of global interdependencies, identify patterns and trends, support strategic decision-making, benchmark best practices, and promote cultural sensitivity. This analysis equips stakeholders to navigate an interconnected world by fostering nuanced understanding and informed decision-making in diverse and dynamic contexts.

Case analysis is a problem-based teaching method that places students in real-world scenarios, encouraging critical thinking and practical application of solutions within a professional context. It bridges abstract theories with hands-on problem-solving. Students must adhere to the following guidelines: groups will be assigned specific cases without changes, and each group must submit a single file and a PowerPoint presentation. Every student must individually present their portion of the case

study during the group presentation. While bilingual language use is permitted, English is mandatory for presentations.

Teaching Assistant

The **Teaching Assistant** event, organized by the Law Club, Department of Law, Prestige Institute of Management and Research, Gwalior, was held on **23rd October 2024** with participation from 20 law students. The objective was to provide teaching assistants with valuable teaching experience while enhancing undergraduate learning. The initiative emphasized understanding responsibilities and expectations to excel in the role.

Outcomes:

- Increased individualized attention for students, improving comprehension and academic performance.
- Enhanced learning experiences through interactive methods.
- Development of students' social, emotional, and collaborative skills.
- Greater support for students with special needs.

Guidelines required students to teach individually, prepare PowerPoint presentations, and conduct 30-60 minute lectures in English (with optional Hindi). Participation was mandatory for LLM students as part of their internal component. This initiative fostered both teaching competency and enriched learning environments.

Legal Aid

The Legal Aid Cell at Prestige Institute of Management and Research (PIMR), Gwalior, established in 2017 under the Legal Services Authorities Act, 1987, offers free legal aid to marginalized individuals. Coordinated by Mr. Sourabh Verma, it collaborates with advocates from the Bar Council of Madhya Pradesh to assist Scheduled Castes, Tribes, women, children, industrial workers, and victims of trafficking or disasters. Services include legal advice, document drafting, dispute resolution, and counseling for mediation. In 2024-25, the cell organized a clinic and a camp, published Hindi guidelines, and enhanced legal awareness. A legal aid component was added to LLB courses, enabling students to learn and utilize the benefits of legal aid, further solidifying the cell's role as a key resource in Gwalior.
