Sub: Passing over of the grant for the year 2020

Sir,
We are extremely regretful to convey the news that due to unforeseen financial challenges stemming from the ongoing global pandemic, we are not able to provide a sum of Rs.3,60000 year marked for your institute's student's development activities.

Hope you will understand our current situation. Our commitment to supporting education remains unwavering, and we promise to reinstate the grant and continue our relations in coming years as the condition improves.

Thank you for your understanding.

Best Wishes and Regards

Sincerely

Director
