Promote the Green Gwalior City Through Bike Rally Conducted By PIMR Gwalior

The 2022-23 academic year saw a bike rally organized by the Prestige Institute of Management and Research Gwalior. The event, which took place on May 5, 2023, at the Atal Bihari Vajpayee International Convention Centre, involved 1260 students from various classes and groups. The objective was to raise awareness about the importance of girls' education and its positive impact on economic, social, Environment and health standards. The event also aimed to promote the green Gwalior city and its potential for a healthier environment for future generations.

Green Campus Initiative to promote Environmental Sustainability, 23.06.2023

GREEN CAMPUS INITIATIVE

The Green Campus initiative of your institute likely refers to efforts to promote environmental sustainability and reduce the institution's ecological footprint. This can involve various activities such as energy conservation, waste reduction, promoting eco-friendly practices, tree planting, and environmental education programs. Green Campus initiatives are essential for creating awareness and fostering a sense of responsibility towards the environment among students and staff.
