

PRESTIGE INSTITUTE OF MANAGEMENT & RESEARCH, GWALIOR

AN AUTONOMOUS INSTITUTE ACCREDITED WITH UGC NAAC GRADE 'A'

Action Taken Report for the Academic Year (2022-23)

By analyzing feedback collected from faculty members, students, employer, and alumni. Following are the actions taken for further improvement in curriculum.

Feedback	Action Taken
Student	
Readymade availability of the study material	Study material made available on ERP
To acquire more of innovative teaching and learning aids	Facilities like Turnitin incorporated in ERP to enhance learning in innovative manner with latest updations
Teachers	
Outcome based modification in the teaching and evaluation pedagogy.	Modification in the teaching pedagogy. More of case study, experiential learning and situation based pedagogy were inculcated. The courses are checked on the CO attainment for the improvement. Institute has started focusing on the similarity index of the assignments. The assignments are checked for plagiarism through software like Turnitin. Institute has purchased a licensed version of Turnitin to evaluate the assignments of similarity and suggest the students for required changes.
Employer	
Students should be trained on the concept of engagement based learning	Activities such as role plays and class involvement and participation is given more importance.
Skill enhancement course to be included	Courses in relation to skill enhancement are added in all the programs.
Development of Personality and language skill	Noncredit course on personality development is made mandatory for all the programs. Foreign language is introduced in few programs.

Enhancing the corporate readiness of the students	Offered more number of new courses in various programs to fulfill the gap between Academia and Industry.
Alumni	
Practical based learning	The recommendation is implemented from previous semester and separate lab classes have been assigned for all the practical based subjects. Time table is revised to incorporate more lab hour for all the practical subjects.
To offer more of entrepreneurship and employability skills learning opportunities	Incubation center at the Institute guides students on entrepreneurship through various courses offered across the programs and the functional EDC cell at Prestige. Cell allows students to participate in national level competitions like MSME hackathon to create knowledge and awareness.

Note: Necessary changes made as per direction of Board of Studies and Academic Council
